

Maintenance Coordinator (12 month term)

Abbotsford Christian School, a well-established interdenominational school of 1000 students (PS-12), located in beautiful Abbotsford BC, is currently accepting applications for a part-time General Maintenance Coordinator.

Under broad managerial direction, the General Maintenance Coordinator performs semi-skilled work of considerable variety involving maintenance, repair, installation and construction of structures, fixtures and equipment throughout the three campuses of Abbotsford Christian School. This individual is also responsible for organizing and supervising the activities of outsourced maintenance and light construction projects.

If you have the above capabilities and a grade 12 education, 5 years related institutional/industrial experience – previous supervisory experience an asset, a valid BC Class 5 Driver's license, knowledge of Building Code - WCB regulations an asset, and the ability to read and interpret drawings and specifications, please submit your resume to:

Abbotsford Christian School
