Study Hall:

Study hall is for students who have not completed all the requirements of the course (assignments, projects and/or tests).
Students will be informed by their teachers and are expected to come to the library on the scheduled day until all assigned work is complete.

Examination Information:

1. If you not have an exam, please arrange a place off campus as we do not provide supervision for students, at school, during exam times.
   After you have completed your exam, please make arrangements to leave campus shortly thereafter.
2. Bring two pencils (HB) and two pens to every exam. A calculator may also be needed, please confirm with the teacher.
3. Return textbooks to the examination room.
4. Check the exam schedule and arrive on time for your school exams.
   Make sure you arrive 20 minutes early for provincial exams so that you can sign in and receive your booklet in a timely manner.
5. Students are not to copy answers from another student's exam or allow one's exam to be viewed by others.
   Cheating will result in removal of the exam and further discipline action by the administration.
6. The invigilator (or teacher) will outline exam guidelines and expectations at the beginning of the exam.
7. Provincial exams have specific guidelines that will be reviewed at the beginning of the exam.
